Enter 10MW solar cells - the unsung heroes of industrial-scale renewable energy. These systems aren't just bigger versions of rooftop panels; they're engineered marvels reshaping how we think about ...

Nayara Energy is setting up a 10 MW solar power plant at its Vadinar refinery in Gujarat. Estimated Value (Rs. Cr): NA. *Image used if any in this post is for illustration only. Note: The above ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal operating ...

Croatian oil-and-gas company INA has awarded two contracts worth over EUR 33 million (USD 38.5m) to finance the construction of a commercial ...

"This is DEPCOM's first significant "behind-the-meter" project where we designed and built a large solar complex to power a single facility, in this ...

Egypt's Assiut Oil Refining Company (ASORC) has begun ...

The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. It is the perfect alternative to unstable grid power and diesel generators, ...

The study explores the feasibility of incorporating solar, wind, and biomass energy sources alongside the existing Natural Gas Combined Cycle (NGCC) power plant and grid connection to ...

The project will pair Ohmium's PEM electrolyzers with a new solar power plant to produce green hydrogen to help decarbonize INA's Rijeka ...

The company is progressing well on its plans to set up a 10 MW Solar Power Plant at its Vadinar Refinery in

10MW Solar-Powered Containerized Refinery

Gujarat, which will help Nayara mitigate approximately 20,000 tons of CO2 emissions ...
