What is a 60W rollable solar panel?

The 60W Rollable Solar Panel is perfect for keeping 12V batteries stopped off and ready to go when you are. Connect one of our weatherproof panels and start your boat, car, RV, lawnmower, or ATV the first time. Extend Battery Life - as much as 6-10 years. Easy to Use - Unroll the panel and start charging in seconds.

What can I charge with a 60W panel?

A: The 60W panel charges everyday items rated 12V or below. Connect and charge a smartphone, tablet, laptops, cooler, car battery, etc. You may need to purchase an additional adapter if the ones included do not work with your device. If playback doesn't begin shortly, try restarting your device.

How much power does a solar panel charge?

?Cautions?The power of solar panels is influenced by sunlight, it reaches 60 W with direct sunlight no problem, 30-40W when it's a little cloudy. 60W Foldable Solar Panel Charger Highlights. Portable and easy to charge. Foldable PET design with handles, eyelets make it portable and lightweight to carry, hang on.

What makes a solar panel a good choice?

Portable- the solar panel unrolls easily and rolls up into a compact package. Rugged - marine grade connectors and the most flexible and durable solar in the world - stands up to hail and all weather elements. Low Light Operation - provides some power even in hazy or shaded environments.
