SunContainer Innovations - As global demand for renewable energy integration grows, Bulgarian lithium energy storage manufacturers are emerging as key players in Europe's clean energy transition.

Balkan Industrial Zone, with the solar power plant and BESS facility, is controlled by brothers Kiril and Georgi Domuschiev. The two entrepreneurs intend to charge the batteries when the price of ...

In 2024, GSL ENERGY successfully installed a 7.45MWh industrial-grade BESS energy storage battery system in Bulgaria, integrated with solar photovoltaic power generation, to provide stable and clean ...

Commissioned, delivered, and installed in just 12 days by a five person crew, Sigenergy's innovative SigenStack system at Malko Tarnovo, Bulgaria, highlights how next-generation battery tech is ...

This solar plus storage project, located in Razlog, Southwestern Bulgaria, was realized by the EPC company Solarpro in partnership with the stationary battery manufacturer Hithium.

Three years ago, SCU deployed the country's first 40ft containerized energy storage system at a solar farm in Bulgaria, setting a precedent for large-scale industrial and commercial energy storage.

RESTORE 2 was launched in August 2025 with the goal of supporting the construction and commissioning of national infrastructure from renewable energy storage facilities with at least 1.9 GWh of...

Bulgarian renewables developer Sunterra RE has commissioned a 47 MW / 94 MWh battery energy storage system (BESS) at its Kaloyanovo solar power plant, near Plovdiv, in southern Bulgaria. The ...

Sigenergy brought together 300 energy professionals in Burgas, Bulgaria, to explore the future of commercial and industrial energy storage. A key highlight was the visit to the 20 MWh Malko Tarnovo ...

## **Bulgarian company engaged in solar container lithium battery energy storage**

Hithium has launched a 55 megawatt hours (MWh) battery energy storage system (BESS) project in Razlog, southwestern Bulgaria. The project, the largest in Eastern Europe, has been realised by Solarpro, ...
