Steps to Disconnect Your Solar Panels
Am I Off-Grid When I Turn Off My Solar Power?
How Do I Disconnect A Portable Solar System?
Can You Leave Panels Disconnected?
What Happens When The Power Shuts Down?
Some people might think because they've unplugged the panels, they might be "off the grid," but that's not true. You're off-grid only if you have a separate system installed with batteries. Most homeowners are grid-tied, meaning you pull energy from the power company. This system is called Net Metering (NEM).
