The silent container is made by high performance and anti-ageing, flame retarding, sound insulation and damping materials, with unique and elaborate design for air intake, outlet and noise reduction device.

Our Tier 4 containerized generators are high-powered --500 kW to 1250 kW-- units packaged in 30-foot or 48-foot ISO containers. The larger footprint of these units allows for more versatility from a ...

Originally launched for limited markets in 2021, the 40-ft containerized generator sets were engineered for easy transportation, simple installation and are stackable, offering up to 34% ...

The WDG825CC container generator set is our high-end power generation solution built for industrial and large commercial applications. You can use the generator in silent mode or configure it in an ...

Large Silent Generator Sets (500-3000kva) Provides centralized, quiet, and robust power for large commercial complexes, industrial parks, major event venues, and as a regional emergency power ...

Originally launched for limited markets in 2021, the 40-ft ...

This fully enclosed, modular generator set offers both reliability and exceptional performance in harsh environments, ensuring uninterrupted power supply when you need it most.

In noisy urban environments, Voltgent's super silent generators provide reliable, quiet power for homes, hospitals, events, and more. Designed to minimize sound without sacrificing ...

Our containerised solutions are designed to provide optimal performance across various site conditions, ensuring excellent reliability for all your power generation needs.

Designed with superior noise reduction, advanced air intake systems, and a heavy-duty chassis, these generators provide consistent performance across multiple applications, ensuring stable, silent ...

Large silent power generation container

The Twin Power container solution is a container that combines two engine/alternator assemblies with/without CHP in a 40ft container, making it perfect for applications that require variable or continuous ...
