Why should you buy a Lawrence sofa?

The amazing versatility of the Lawrence sofa reveals itself in the option of creating highly dynamic compositions through the combination of different pieces.

What makes Lawrence unique?

Lawrence embraces its bold, self-assured personality and adds to it an array of pieces that make it extremely versatile and allow for the creation of multi-functional compositions that bring understated elegance to settings that reflect different tastes. Lawrence comes in two versions, with either a high or low armrest.

Does Lawrence have a high or low armrest?

Lawrence comes in two versions, with either a high or low armrest. Each one correlates to a different design aesthetic. The high armrest is thinner than the low one which, in addition to being more substantial, is the perfect place to rest the cushion in order to lie comfortably on the sofa.
