Where can I buy IP enclosures in Australia?

Contact your local State Distributor/Stockist for assistance with product selection, technical support, availability, quotes and ordering. IP Enclosures are also available from local Australia-wide wholesalers including: Lawrence & Hanson, Rexel, Blackwoods, Tradezone, Metal Manufacturers Electrical Merchandising, AWM, D&W, Haymans, TLE and Cetnaj.

What are over IP enclosures made of?

Over IP Group's IP55, IP65 & IP66 Outdoor Enclosures are made of high quality materials. Emphasising on waterproof foam rubber seals for ultimate protection for applications in telecommunications and data equipment protection in rural Australia.

What types of electrical enclosures are available in Australia?

1.0mm. Stainless Steel (304 and 316L available) IP66 IK08, IP69K Type 1, 12, 4, 4x. IP Enclosures has partnered with leading global brands to provide an expanded range of high quality electrical enclosure solutions. FIBOX, ALMATEC, ICOTEK, and AUER SIGNAL products are available in Australia via IP Enclosures Distribution Partners.

What makes a good outdoor enclosure?

With inbuilt stainless steel filters for dustproofing, a quick and easy knock down assembly for easy assembly and rapid deployment, our range of outdoor enclosures are ideal. With stainless steel hinging, advanced air exhaustion whilst keeping protection, the 100mm base re-inforces its waterproofing technology.

Outdoor enclosures are designed to keep equipment safe and dry no matter what the conditions. Most enclosures come with an IP rating which tells you roughly what conditions they are designed for.
