Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is correct in this ...

I saw the previous thread for the \$10 off of \$50 coupon then I saw this \$10 off of \$25 coupon at slickdeals (posted by dneez over there) and though...

For off-grid mining, renewable energy and storage technologies present an ideal opportunity not only to improve the mine's environmental footprint, but also reduce energy costs while improving power quality.

We are Australia's trusted name in Off-Grid Power System solutions, and our friendly team are here to help you find the off-grid solar system that's right for you.

The Hybrid power generation for Australian off-grid mines handbook was developed by Ekistica (on behalf of ARENA) to address both the real and perceived barriers faced by mines ...

If you are considering a solar battery, my comprehensive guide walks you through brands, cost, payback, installation and much more...

Many are in Australia, where huge land mass and limited access to the grid make on-site power attractive and necessary. However, mines in other regions are also investing in on-site power ...

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal conversational ...

Do you say "get off the phone" only to someone who's talking on the phone with someone else? Or can it also be said to someone who's just playing with his phone, gaming, scrolling facebook ...

Off-grid cost of outdoor energy storage units for Australian mines

Housed in durable shipping containers, our systems are engineered to meet the growing demand for renewable integration, backup power, and off-grid energy supply.

Sentence (b) is correct, but the phrase "off to Scotland" uses be off, not off to. The to is part of to Scotland. This is meaning 34 of "off" in the WordReference dictionary: 34. starting on one's ...

Many are in Australia, where huge land mass and limited access to ...

Hola! If I don't hear one clearly over the phone, do I say "you are cutting off" or "you are cutting out"? Thanks!

As the cost of renewable energy, most notably solar power, has fallen, the technology has become a more viable option for miners - especially in Australia, where the vast landscape and ...

Yet as renewable energy and batteries become cheaper, the case for industry players to establish their own off-grid hybrid power systems has become viable once again.
