All-in-one Design Integrated PV and storage system with super wide PV input voltage Small footprint and IP54 protecting grade for outdoor installation environment; Safe & Reliable High-performance battery cell, life ...

Adaptive to harsh environments: Free from impacts of extreme cold and heat; Intelligent dehumidification inside cabinets to eliminate condensing risks.

Designed to support grid-tied and off-grid scenarios, the Hybrid ESS cabinet offers seamless integration and maximized space utilization, making it an ideal choice for growing energy demands.

Designed for energy storage systems for solar power, diesel-PV hybrid, and EV charging integration, this cabinet offers a flexible and scalable solution for commercial and industrial users.

Innovative liquid cooling technology, extend battery life by 20% PV-ESS integrated, lower system cost AI dynamic MPPT, boosting power generation by 5% DC coupled solution, higher system efficiency

High-voltage 215kWh outdoor battery cabinet with built-in cooling, fire protection & monitoring. Ideal for microgrids, solar-diesel hybrid systems & EV charging stations. Pre-installed & easy to deploy.

The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, 215kWh, 225kWh, ...

The ELECOD Outdoor Cabinet ESS for PV Storage & Charging offers an integrated and scalable energy storage solution designed for photovoltaic energy generation and charging applications.

CB Smart100 PV ESS All-in-one Cabinet consists of power battery cluster, hybrid inverter, variable frequency

Smart pv-ess integrated cabinet hybrid type for construction sites

temperature control system, BMS, EMS, combined precision suppression and burst suppression fire protection

Equipped with a robust 15kW hybrid inverter and 35kWh rack-mounted lithium-ion batteries, the system is seamlessly housed in an IP55-rated cabinet for enhanced protection against water and dust, ensuring ...
